---

Is it too late to say Happy New Year? Maybe, but we're saying it anyway! We hope you've had a fantastic start to 2025 and wish you a prosperous year ahead.

It's been a busy start for us at One Media, and we've got plenty to share—read on for all the latest updates.

### One Media Completes Sale of TCAT to Round Group

We're excited to announce that we've successfully sold our entire interest in the capital of [TCAT Ltd](#) to [Round Group Ltd](#). This marks a significant milestone in One Media's strategic evolution, allowing us to focus on our core business while retaining a 5% holding in Round.

This partnership brings exciting opportunities, with Round's innovative digital agency services complementing TCAT's technology. Their proprietary TikTok audio analytics tool adds to the potential growth, and we look forward to seeing TCAT continue to develop under their leadership. One Media will continue using TCAT to protect our catalogues and those of our licensors across digital platforms.

CEO Michael Infante commented:

*"This disposal represents a pivotal step in our strategy to focus on our core operations and drive profitability. TCAT's innovative platform has a bright future under Round's stewardship, and we are excited to retain a stake in its potential success. This move reflects our commitment to simplifying the Group while ensuring shareholder value."*

### Point Classics Sync Success

We're thrilled to see our [Point Classics](#) track 'The Nutcracker Suite, Op. 71a: IIb. Dance of the Sugar Plum Fairy' featured in Airbnb's 2024 Christmas advert, bringing festive charm to screens worldwide.

We're also delighted to announce that 'String Quartet No. 13 in A minor "Rosamunde": Andante' from the Point Classics catalogue was featured in Season 2, Episode 6 of FX's American drama-thriller series 'The Old Man'. The episode is available to stream on Hulu and Disney+.

In addition, Point Classics tracks have been placed in three independent films—further testament to the timeless appeal of our classical music catalogue. We look forward to more exciting placements in 2025.
